# Exhibit A

October 10, 2013

To whom it may concern,

My name is Susan Vincuilla mother of Ashlee Martin. My parents are Darwin and Revoe Hulet of New Castle Utah. My father is 85 years old and has health problems. He had a knee replacement surgery recently and had a mechanical heart valve put in several years back which has now failed. My father has been calling all uskids asking us to get his grandchildren and great grandchildren to come to New Castle to see him as much as possible in light of his deteriorating health. You see my daughter is a defendant who was released last December on pretrial ankle monitoring. Her pretrial officer Jamie Stroup has now voiced that he will recommend removing the monitoring device to allow more freedom. I write to ask that she be allowed to travel to Utah providing that she schedule her time here with Jamie Soup. She has told me that she is more than willing to even call Jamie from her home phone when she leaves Las Vegas and call him from my home phone when she arrives here in New Castle and Vice Versa. My daughter has a six year old little boy Taesom and these visits would also be for him. Our family is a dose loving family and we would like to keep it as so. Ashlee has a cousin and unde here in New Castle who are members of the police force her cousin being Deputy Sherriff and uncle being Sergeant with the Iron County Sheriff's Office who are aware of Ashlee's situation. Ashlee and I have no problem checking in with Jamie at any time during her visit. New Castle is a small rural community located just 55 miles NW of Saint George Utah and 32 miles W of Cedar City Utah with a population of about 400.
